

Faith Promise

God, please give me something that I can give toward this new building.

I have something in hand to give, but it may not be all that I desire to give.

If I will just believe that God can appoint me an amount to contribute and also, by faith, provide me that amount, I will see God put that amount in my hands to give toward the building fund.

This concept is called Faith Promise where I seek God asking Him to give me a designated amount to give toward the building fund and in return, I promise Him (and I stick with my promise) that when I receive that amount from unexpected sources, I will give that amount to the church—to God's glory—to build the new building. When God sent the vision for Faith Chapel's new facility, He did so having the provision in place to build the new facility. It's all about advancing the Kingdom of God by reaching souls, saving families, and changing the communities around Faith Chapel. With God all things are possible!

But someone will say,
"You have faith, and I have works."

Show me your faith without your works,
and I will show you my faith by my works.

Greetings to you in the Joy of our Savior, Jesus Christ!!

In light of the unique opportunity before us to build a comprehensive sanctuary facility, we are embarking upon a capital funds campaign. The name chosen for our campaign after much input from our leaders is "**My Faith In Action.**" As we "*walk by faith and not by sight,*" we are going to experience the mighty hand of God bringing victory, success and resources for this new house we are building to His glory.

As we embark upon this campaign we want to remember who we are as Faith Chapel Church of God. We are a community of believers of Jesus Christ who are focused on Kingdom agenda with inward and outward strategy for ministry that is laying the footprint for expansion growth and advancement to the glory of God.

The new building planned for across the street from our current property will be an effective and necessary tool for ministry, to help continue to tear Satan's kingdom down in our surrounding areas in Baton Rouge, East Baton Rouge Parish and the World and to build up God's people while reaching and drawing all people to the love of Jesus Christ for life transformation.

As we think about what our individual "**My Faith In Action**" contributions may be, we want to be reminded of the words of King David when he offered up gifts for the building of the Temple: "*In your Hand O God is power and might and the ability to cause great things to happen and give strength to all.*" (1 Chronicles 29:12) God is able to make all things possible as He brings abundant provisions for the vision to build. We expect that our God "will do exceedingly, abundantly and above what we can ask, think or imagine" in this campaign and ministry to build.

So Ask, Seek, Think and Imagine and God will do exceedingly and abundantly more!!!

In Christ and Sincerely,

Pastor Bart
