

## CONFESSIONS

**In Jesus' Name**, we at Faith Chapel believe in prayer, practice prayer and enjoy the fruit of our prayer labors.

**In Jesus' Name**, we call Faith Chapel and its members completely healed and whole—spirit, soul and body—growing in the love of God, in the faith of God and in the unity and power of the Holy Spirit.

**In Jesus' Name**, we declare that Faith Chapel is growing numerically. The Holy Spirit is leading us and we are individually and corporately determined to wisely and boldly impact individuals, families and communities for the Kingdom of God. We have more than enough resources to meet every challenge.

**In Jesus' Name**, we call Faith Chapel's new ministry facility excellently built and equipped—and paid for ahead of schedule. Our Pastor, leaders and members have the wisdom, favor, protection and blessing of God. All of this is to the glory and honor of Jesus Christ our Lord.
